**SCHOOL AND PROGRAM CODES FOR B.C. PUBLIC
SCHOOLS AND TRINITY WESTERN UNIVERSITY
2011/2012**

Instructions

Your program code corresponds to information supplied by your school to StudentAid BC. This information includes tuition and book costs and other fees. StudentAid BC uses this information to determine how much your program will cost.

If you are attending:

- ▶ An accredited private training school in BC;
- ▶ A designated school outside of BC;
- ▶ Justice Institute of BC;

Leave **Questions 17 and 18** of your application blank, and forward **Appendix 3** to the financial aid office at your school for completion.

- ▶ Find your school and then write the code for your school on **Question 17** of your StudentAid BC application.
- ▶ In the list of programs for your school, find the name of your program and write the program code on **Question 18** of your StudentAid BC application. If you cannot find your school code and/or program code, contact the Financial Aid Office at your school to obtain your program code or to arrange for completion of **Appendix 3**.
- ▶ If you are enrolled in a double major, enter only one program code.
- ▶ If you are taking courses in more than one school at a time, you are in 'split enrolment'. Use the school code in which you will receive their credential. Contact the Financial Aid Office at the school where you will be receiving their credential.

Note: If you plan to attend an accredited private training school in BC, a school outside of BC or the Justice Institute of BC leave lines 17 and 18 of your application blank. If you are attending Kootenay School of the Arts, see Selkirk College.
